

Andrés Montero

UX/UI Product Designer

Hi, my name is Andrés. I am a Mexican living in Mexico City. I got a degree in Interactive Design from Universidad Iberoamericana CDMX and I work as a UX/UI Designer.

Experience

PepsiCo Internacional, 2026 (Jan. – Jun.)

– UX/UI Design Assoc. Manager

Managing UX of the internal global Admin system for the B2B sales app.

Unilever – Helados Holanda, 2023–2025

– Digital Product Owner Sr.

In charge of projects in the of the ice-cream Mexico team, implementing UX, digitalization, and automation of processes for B2B and B2B2C clients.

Coppel, 2022–2023

– UX/UI Product Design Lead

Working in the eCommerce, leading a multidisciplinary UX team that builds solutions in different stages of the user journey across Coppel.

Clip (PayClip), 2021–2022

– UX Product Designer (Nov. 2021 – Feb. 2022)

Developing UX solutions for the product teams, in charge of the digital visual identity of the new products launched by the company.

AlphaCredit Capital, 2019–2021

– Marketing designer (Apr. 2019 – Feb. 2020)

– UX/UI Product Design Lead (Feb. 2020 – Sep. 2021)

Working directly with the innovation & tech teams creating new solutions for the clients and the company. App, web & service design + testing.

BluePixel Innovation + Stadibox, 2017–2018

– UX/UI Designer

– Front-end developer

– Marketing designer

Worked in front-end development & created UX solutions for different clients. Worked as a Project Manager in development stages. Created visual identity design for social networks, mailing campaigns and promos. Design & development of a new website + app (Stadibox).

Projects

Anfexi + MultiCredi

UX design for Anfexi's contact sheet, and new identity + design for MultiCredi (front & back-end).

Grupo Toscano

Web design + development of the restaurant chain.

Social media, blog management, web design & development, and UX for different clients:

Go Mini's México, Don Balón México, Asociación de Egresados de la UIA.
